AMERICAN HEART
ASSOCIATION

Kelly Rogers of the AHA will be discussing the **Start! Campaign** and **Go Red for Women** campaigns as well as knowing your risks for heart disease.

HOOR FREE CE -

Dearborn National will be providing one hour of free continuing education on disability basics (including contract provisions, taxation of benefits, integration of Social Security basics and lack of coverage in the US) as well as selling techniques. The CE will begin immediately following the February meeting.

THANK YOU FROM ONE OF OUR CHRISTMAS FAMILIES

Dear Sharon & Friends,

First, thank you for helping my family this holiday season. Words cannot express the gratitude we have towards you and the wonderful people around you. God has blessed us with many things this year, but we are so fortunate that He has put you in our path. There is nothing that means more to us than a true friend, which is what we have found in you. When my family and I moved down here, I was not expecting such great southern hospitality, or much of anything for that matter. Your generosity has changed our lives forever, it has inspired us to give back and help others more. It has showed us the real meaning of this Christmas season. Unfortunately, last Christmas, we were unable to give our daughters anything for Christmas or anyone in our family, for that matter, due to the economy that hit us very hard and unexpectedly.

Fortunately, thanks to the generous people at Sandhills Association of Health Underwriters, and of course, you, our daughters have what they really needed for Christmas. My family and I cannot express the thanks we have for everything you have done for our daughters this Christmas. It means so much to my husband and I that our girls finally have comfortable cribs to sleep in. You have taken a huge weight off our shoulders. I am happy to report that my daughters absolutely love their cribs. They could be in there all day if they could. We could not ask for more and we are eternally grateful for your generosity.

Steven and I are also thankful to Mr. and Mrs. Mzingo for helping us in our time of need as well. We really appreciate your donation to us. You have taken loads of weight off our shoulders and there are no words to describe how grateful my husband and I are for your blessings this Christmas. We moved down here with nothing and thanks to you, we have more than we could ever have imagined we would ever have. Thank you so much to all of you. You cannot imagine how grateful we are to have been blessed with all of you this year. Thank you very much, have a Merry Christmas and a Happy New Year.

Sincerely,

The Otero Roman Family: Steven, Viviana, Mia and Mya.

Please RSVP for breakfast and CE to kelly@ebenconcepts.com.

\$10 PER MONTH HAS NEVER MEANT MORE!

A \$10 monthly contribution to HUPAC has never been more important than it is right now. Donations to HUPAC are essential in our national advocacy efforts to insure our futures.

Donations can be made at a SAHU meeting, online at www.s-ahu.org or by contacting HUPAC Chair Johnny Dawkins at jldawkins@ebenconcepts.com.

SHOOT FOR TRIPLE CROWN

Once you've hit your monthly contribution amount of \$10 to HUPAC, you're a third of the way there. All that's left is recruiting two new members and completing three Operation Shouts. Let's all make this our goal this year.

Support the AHA's Go Red for women campaign!

Go Red for women is the American Heart Association's solution to save women's lives. With one out of three women still dying from heart disease, AHA is committed to fighting this No.1 killer that is largely preventable. National Wear Day is February 5th, but please wear red in support to our February meeting as well!
